1. Who can see say sign? Who can see, say, sign see, be, saying, the sign/time is now? I love you. I can/have. I am/will. I am the now.

2. See say sign be? Yea and more to me/thee and more so around thee and far away places not me, me becoming, me. I love you more than all you see, say, and sign the times, who can see me doing/being now, the now sign? I love you all.

3. Who can/will say what, being what, sign of what when where who for what whose purposes?

4. And what meaneth these times, signs, and sayings not simple/simplex or complex or what simpletons cannot agree on, but what meaneth the kingdom now, where, and when in is/has changed. Now is/being, the now is, yea see the sign/time it is.

5. What is your name? Now is your name/being. Being the name of me, I am my name once again. Once again not, forever forevered and everlasting before eternal was/wasn't and shall be no more, not; but the was not never was, can/can't you see?!? Can you not see/be the time/times you were, before time set in to conquer in thought'face and face not mine yours?

6. Who shall be the timeless ultimate and never'without'me and me being, never unbeholding anything else but only me beholding/being? I love you now. Forever. Amen.

7. I go now. I see. I say. I sign am. I resign not my position but having none, I resignation pass to this world, not; but I have nothing in, it has nothing in me. My words are pure; say light, sign light, see light. I am light/the light. The way seen, purely, clearly, I path the way not; but shed light on, not; being it, I am the way/it. I love you all. Amen.

8. I go now. Good bye, not. Forever yours. Me.
9. I am gone/the one. Goodbye.
10. I love you all. Me.

11. This is the time. See. Say. The sign. Mine.
12. I am.
13. Gone.

14. Here now, I am.
15. I have come.

16. I now am the am.
17. I am I am.

18. Good day. Sorrow not, none, anymore, ever again attaches/resides therein. I love you all. Gone, here, there, everywhere.

19. I am. Gone now. I've entered me'land no'sorrow'd's'ville.

20. I reflect my father. I have become him.
21. We are one/the one. All are, in perfect/ultimate surrender.
22. I am one. I am now.

23. See, say, sign; I am. Be, see; resign not; receive, surrender. You are the son/king. One of, not; the one, one is, all are; one being, in one. I love you all.

24. I sing/rejoice. Heaven does/is.
25. Me now. I am there/it.
26. I carry it everywhere, it is.
27. All see, say, sign.

28. I love you. More later.
